

# *Gathering in the Red Tent: A Nurturing Sanctuary & Women's Retreat*

*We will co-create a sacred and safe community of women for sharing our innermost hopes, fears, and dreams, and tapping into our collective woman-wisdom.*

You are invited to join us in a beautiful private home right on the beach at Pajaro Dunes, overlooking California's beautiful Monterey Bay. We will have private, quiet time interspersed with deep dialogue around topics such as:

- The times of our lives: finding balance while managing (juggling!) our transitions.
- Body image: the myriad challenges women face.
- Envisioning the next steps in our life journeys.
